The Blotz Bros.' herd, is one of the largest and strongest herds of Scotch Shorthorns in the country, numbering 206 head. Founded in 1888, it has supplied correct seed stock for herds over a wide range of territory. This offering is the best ever made from the herd and features the get of the noted bulls Edellyn Perfection and Quarterbar. The Blotz herd is noted for the good beef type of its members; for the milking ability of each cow, for the great stock bulls that have been used; for prolificacy, and for the choice Scotch bloodlines represented. If you want prize winning show cattle, and useful, prolific breeding cattle, I do not hesitate to recommend this strong offering.—Hal Longley of The Shorthorn World.

This picture shows **EDELLYN PERFECTION** when he came to the Blotz Bros.' herd in his yearling form. This great breeding son of Browndale Count died in 1932 after a long and useful breeding career in this herd. This sale affords the last opportunity to buy his sons and daughters.
